Update

We have a budding musician amongst us in the agency, SM achieved a merit in her ukulele exam. Well done, S!

LG has been representing the agency and making us proud when he was awarded pupil of the week at school for enthusiasm, consistent effort and approaching all tasks with a smile.

A big well done to Jack Harvey who won 'Man of the Match' 2 weeks in a row - even when the rain poured, he continued to play like a pro! He has since won 'Player of the year' also!

Keep your eyes open on the roads, we have some new drivers! A huge congratulations to Kacey Bevan and Scott Nutter on passing your practical driving test.

We also have some upcoming drivers, well done to LF and Martha Stewart on passing your driving theory test.

EL has been working hard to improve her handwriting and was recently awarded her pen license at school. Well done, E, happy writing!

Congratulations to S and her daughter on taking the next step and moving into your own home. We look forward to seeing you enjoy this next stage of your journey.

TS and LS made the agency proud when they attended their football presentation and were given an award at the ceremony.

Well done to all who have recently sat exams, we are so proud of your efforts and achievements.

- Congratulations to Scott Nutter who is moving to America to study Maths and to represent Wingate University in North Carolina in Athletics.
- Kirsten Nutter will be starting attendance at the University of Lincoln in September.
- Phoebe Taylor is going to Newcastle University to study biology.
- Kacey Bevan passed her A-levels and has gone straight into the working world.

Good Luck to all of you in this next chapter of your life.

GCSE exams are a huge milestone in anyone's life, we want to say a big well done to:

- AR
- AA
- JO

for completing your exams and putting in such effort. All 3 pupils will be starting college in September.

A huge welcome to our newest Foster Carers, we are excited to have you on board as part of our team!

Karen & Richard –

MAY HALF TERM –

YORKSHIRE

In Yorkshire we headed to Cannon Hall Farm for our event day. This was the first physical event in nearly a year and we had a great turn out.

We had lots of fun looking at all the different farm animals and playing on the parks.

Thank you to all the families who joined us, we had a great day!

MAY HALF TERM –

CUMBRIA

In Cumbria we headed to the wildlife park for our event day. This was also our first physical event in nearly a year and we had a great turn out.

We had lots of fun looking at all the different animals and exploring the park.

Thank you to all the families who joined us, we had a great day!

Back in May we celebrated Fostercare Fortnight. A group of families came together along with Family Support Worker, Emily, to create a very special video. They discuss the highs and lows of fostering and give advice to new/other foster carers. If you haven't already watched it, head to our YouTube channel to view.

Face-to-face Carer Forums and training is returning as of September. Your Supervising Social Workers will keep you updated with more details on this.

We are recruiting! If you know anyone who has the potential to be a foster carer and can provide a safe home for a child, then please encourage them to contact us.
